# BUI TUAN DUNG

**Business · Web · AI**

Vung Tau, Vietnam | +84 974 984 301 | buituandung1405@gmail.com

Available for freelance / part-time / remote work

---

I work in sales and build websites, business apps and AI content.

## EXPERIENCE

### 2023 - Present | Web & App Development (Freelance)

Building websites, business apps and AI content. Projects include Binh Minh Kindergarten, Hi Medical Skincare, Lalamoon POS and a production management app.

### 2024 - Present | Sales & Distribution

Sold paint and building materials, advised customers and coordinated a team of 3-5. Worked with Jotun, Dulux and Kansai. Highest monthly revenue: approximately VND 500 million.

### 2022 - 2024 | Real Estate Sales

Found customers, advised them on condotels and commercial apartments, negotiated and provided after-sales support.

### 1 year | Warehouse Management

Tracked incoming goods, outgoing goods and stock levels for agricultural products, dry goods and beverages.

## SKILLS

**Technology:** Next.js, React, Jamstack, Decap CMS, Cloudflare Workers, SEO/GEO; AI image and video creation, and automation.

**Marketing:** Content creation, marketing planning, banners and product content.

**Sales:** B2B/B2C sales, customer consulting, negotiation and customer care.

**Management:** Teams, projects, on-site work, inventory and payments; Word, Excel and PowerPoint.

## SELECTED PROJECTS

**Binh Minh Kindergarten:** School website and content management tools.

**Hi Medical Skincare:** Brand website, articles and appointment links.

**Lalamoon POS:** A demo for menu selection, checkout and order management.

## EDUCATION & TRAINING

### 2015 - 2019 | Posts and Telecommunications Institute of Technology

Business Administration - Accounting specialization.

FPT Programming Course: 6 months. Military service: 2020 - 2022.
